

Policija je uhvatila lopova s vrećom punom stvari. Pretvori se u detektiva i pomozhi policiji otkriti koje od tih stvari je lopov ukrao.

Pomoći će ti popis koji je policija pronašla u džepu lopova, ali popis je šifriran.

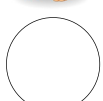

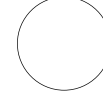

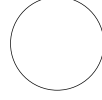

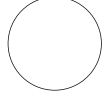

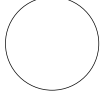

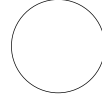

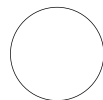

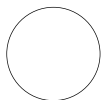

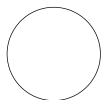

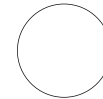

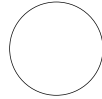

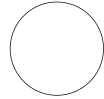

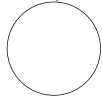

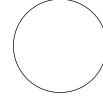

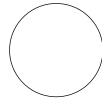

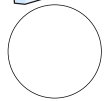

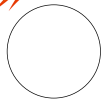

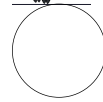

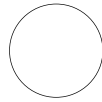

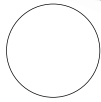

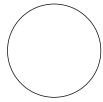

Odredi prvi glas svake slike u retku, a zatim glasove spoji u riječ da otkriješ koje su stvari ukradene.

Kada dešifriraš popis, pogledaj u vreću pa se probaj sjetiti što je sve lopov ukrao. Ukradene stvari zaokruži.
